Counsel, as you may know, McGuireWoods LLP is outside counsel to the Commonwealth of Virginia and its agencies concerning Medicaid and other healthcare-related matters. Accordingly, all communications between your firm and any other firm representing the Nansemond Indian Nation and Fishing Point Healthcare, LLC should be directed to McGuireWoods until notified otherwise. Specifically, we would ask that you cease all communications with DMAS or Secretary Gee concerning Medicaid and healthcare matters.

As you know, in connection with DMAS' agreement concerning the now completed FOIA production, DMAS agreed to an in-person consultation meeting to occur approximately 30 days following the completion of the production. Please coordinate with me on scheduling.

Lastly, we understand you had requested a meeting with the Secretary of the Commonwealth, and in connection with same, provided Secretary Gee is a copy of a draft complaint. Counsel for the Commonwealth can be available to meet with you to discuss same. I hope you can understand that our clients will not be participating in meetings to discuss potential litigation. Please let me know if you would like to schedule a meeting.

Thank you for your attention to these matters.
