TRANSCRIPT: Seen and Unseen, Fox News, November 12, 2025

1

00:00:05,080 --> 00:00:06,854

LAURA INGRAHAM: We reveal the stories behind the

2

00:00:06,854 --> 00:00:09,219

headlines. For that, we turn to Fox News

3

00:00:09,219 --> 00:00:10,697

contributor Raymond Arroyo. All right,

4

00:00:10,697 --> 00:00:13,062

Raymond, when we were in the Oval the

5

00:00:13,062 --> 00:00:15,427

other day or even almost evening, I asked

6

00:00:15,427 --> 00:00:17,496

what could be the president's next major

7

00:00:17,496 --> 00:00:20,430

Renault on the White House grounds. **RAYMOND ARROYO:** Yeah.

8

00:00:20,430 --> 00:00:23,222

And Laura, I think you could call this a

9

00:00:23,222 --> 00:00:24,463

presidential consultation officially. **LAURA INGRAHAM:** Is

10

00:00:24,463 --> 00:00:26,324

the Old Executive Office Building color

11

00:00:26,324 --> 00:00:28,805

going to be changed? I've heard a rumor

12

00:00:28,805 --> 00:00:31,287

of that. **DONALD TRUMP:** Well, I'll, I'll show you a

13

00:00:31,287 --> 00:00:33,768

picture of it before and after and you'll

14

00:00:33,768 --> 00:00:35,939

make that determination. **LAURA INGRAHAM** OK. **DONALD TRUMP**: You did hear

15

00:00:35,939 --> 00:00:38,749

that. That's amazing. **LAURA INGRAHAM** I heard it maybe, I worked

16

00:00:38,749 --> 00:00:40,841

in the OB during the Reagan

17

00:00:40,841 --> 00:00:43,281

Administration...(overtalk)...**DONALD TRUMP**: so you know it was always

18

00:00:43,281 --> 00:00:45,373

considered great and ugly building and

19

00:00:45,373 --> 00:00:47,814

it's actually one of the most beautiful

20

00:00:47,814 --> 00:00:48,860

buildings ever built. **LAURA INGRAHAM**: I kind of like it

21

00:00:51,660 --> 00:00:54,128

DONALD TRUMP: How beautiful that is with a coat of

22

00:00:54,128 --> 00:00:56,287

paint. **LAURA INGRAHAM**: So is it just painting though?

23

00:00:56,287 --> 00:00:58,447

DONALD TRUMP: It's all painting. Most of it's painting.

24

00:00:58,447 --> 00:01:01,223

LAURA INGRAHAM So what is it now? Just now...(overtalk)... **DONALD TRUMP** :
cleaning and

25

00:01:01,223 --> 00:01:03,074

pointing and painting and there's other

26

00:01:03,074 --> 00:01:05,234

work too. Look at that, how beautiful

27

00:01:05,234 --> 00:01:07,393
that is. **LAURA INGRAHAM:** But you're not worried. It's

28
00:01:07,393 --> 00:01:09,861
like a big white BLOB. **DONALD TRUMP:** No no what it

29
00:01:09,861 --> 00:01:11,751
does it is brings...(overtalk)... **LAURA INGRAHAM** See you're a builder.

30
00:01:11,751 --> 00:01:13,958
I'm not. I have no...(overtalk) **DONALD TRUMP:** no no, it really. It brings
out

31
00:01:13,958 --> 00:01:15,675
the detail. Do you understand Raymond? **RAYMOND ARROYO:** I

32
00:01:15,675 --> 00:01:18,320
Do...(Overtalk...) **LAURA INGRAHAM,** suck up, suck up...(overtalk)...**DONALD TRUMP:**
So that building

33
00:01:18,320 --> 00:01:20,903
was built. People considered it

34
00:01:20,903 --> 00:01:22,970
a really ugly building.

35
00:01:24,010 --> 00:01:26,651
And I looked at it and some other people

36
00:01:26,651 --> 00:01:28,706
is one of the most beautiful buildings

37
00:01:28,706 --> 00:01:31,053
ever built. When you see that, Well, look

38
00:01:31,053 --> 00:01:33,108
at look at this Raymond. Ohh, there,

39
00:01:33,108 --> 00:01:35,456
there it is. Look, there it is before

40

00:01:35,456 --> 00:01:37,510

RAYMOND ARROYO: it's sort of just an Adams family aesthetic

41

00:01:39,040 --> 00:01:41,373

I have to say. So you're cleaning up

42

00:01:41,373 --> 00:01:43,123

the Adams family..(overtalk)...**DONALD TRUMP:** no its highlighting. You know,

43

00:01:43,123 --> 00:01:45,165

they, they each window is surrounded by

44

00:01:45,165 --> 00:01:46,915

columns. There's never been anything like

45

00:01:46,915 --> 00:01:49,248

this. **RAYMOND ARROYO:** You know, you don't see those in

46

00:01:49,248 --> 00:01:51,582

the other before. **DONALD TRUMP:** You don't even see the columns...(overtalk)...

47

00:01:51,582 --> 00:01:53,915

LAURA INGRAHAM: my office was on the other side and long

48

00:01:53,915 --> 00:01:55,957

time ago. **RAYMOND ARROYO:** Maybe that's what gave it the Adams family...(overtalk)...**DONALD TRUMP:** you know it's called.

49

00:01:55,957 --> 00:01:57,998

You know what it's called. They use

50

00:01:57,998 --> 00:02:00,981

greystone. Gray is for funerals, but it's

51

00:02:00,981 --> 00:02:03,182

called greystone. So look at it now. How

52

00:02:03,182 --> 00:02:05,109

Beautiful it is. **RAYMOND ARROYO:** That is gorgeous. **LAURA INGRAHAM:** When is that

53

00:02:05,109 --> 00:02:07,310

planned for? **DONALD TRUMP:** I don't even know when I'm

54

00:02:07,310 --> 00:02:09,512

gonna do it yet. I mean, I'm getting

55

00:02:09,512 --> 00:02:11,438

costs from, I'm getting bids right now

56

00:02:11,438 --> 00:02:13,639

from painters. And we'll see. It'll be a

57

00:02:13,639 --> 00:02:14,740

great addition to Washington.
